

# 'Protect a Cycle' Locker

The 'Protect a Cycle' Locker has been designed to offer unbeatable security and convenience.

The generous dimensions allow up to three adult bikes to be stored together (depending on style). Its design, which features a spring assisted opening action, allows complete and easy access.

The locker is designed to be bolted down onto a hard (concrete) base which must be flat and level.

## Technical Specification

- PVC coated galvanised panels – 25 year guarantee.
- Generous size – stores up to 3 adult bikes (including larger hybrids).
- Quality build – all stainless steel fasteners.
- Easy assembly – main components are factory assembled.
- Maintenance free – lasting good looks (no painting).
- Fire resistant – complies with National Building Regulations.
- Choice of colours – either two tone green or all cream.
- Tested and certified by the Loss Prevention Certification Board (awarded the LPS1175 Security Rating 1 and 2).
- "Secured By Design approved – Police Preferred Specification".
- Made in Britain
