Or you can take a moment to fill this in and drop it back through my door:

- I would be interested in using a space in a Bikehangar
- I'm supportive, but wouldn't use it.

The Bikehangar is a communal bike locker that stores six bicycles.

Easy to open with a self-lifting door, the steel design protects bicycles from vandalism and wet weather.

Local residents can rent a space inside a Bikehangar, by paying a small fee and key deposit.
