

# Wall Anchor

The Wall Anchor is a secure, space-saving design for one bicycle providing a permanent bike locking point at your home or work place.

This sturdy design is available in mild or stainless steel and can be bolted to brick or concrete walls in any indoor or outdoor setting saving valuable floor space.

For security, you will need a high-quality D-lock, cable lock or chain lock to secure your bike.

## Technical Specification

- Available in stainless steel brushed finish or mild steel powder-coated in black
- Secure bike anchor for a single bicycle
- Bolted onto brick or concrete walls.
- Suitable for indoor or outdoor use
- Made in Britain

## Dimensions

- Diameter: 250mm
- Depth: 65mm
